

Logo contest

FOP needs new logo and FOP Team decided to hold an open logo contest. We invite all members of the FOP community as well as any other interested parties to participate as contestants or by expressing your opinion through voting. We have set up [Web Poll](#) where you can see contestant logos and vote.

1 The rules

The rules are simple:

- Everyone can participate as contestant
- Everyone can vote, but only FOP Team picks out the winner
- No reward except for pride
- The winner image is donated to Apache, but the authorship is preserved
- The final result should be in SVG format
- Reasonable size for logo
- Deadline for submitting logos and voting: 28 February 2003

2 How to participate

Submit your image or link to it to [fop-user](#) mail list. Vote for a logo you like the most at FOP logo contest [Web Poll](#).

3 Credits

We would like to thank [Ant](#) and [POI](#) teams for ideas how to make a logo contest.
